Please read carefully

1. The numismatic material offered in this catalogue has been carefully described and is guaranteed to be genuine.
2. All bids must be per Lot as numbered in the Catalogue. The highest bidder will be the successful buyer. In the case of a tie bid, the earlier bidder will be the buyer.

4. Telephone bids must be confirmed in writing or by fax.
5. "Guesstimates" have been included. The Lots can very well sell above or below the estimates. We do not disclose "top bids". **A 10% Buyers Premium applies to all sales.**
6. Bear in mind that this is a Mail Bid Sale. **All sales are final.** Numismatic material allotted to the highest bidder is not sent on Approval. Lots may be returned only with the permission of the cataloguer or for reasons of authenticity.
7. **All Bidders** must have established credit with the cataloguer or the Bids will not be executed unless an advance deposit of 25% is sent with the Bid Sheet. Deposits will be promptly refunded to unsuccessful bidders. Checks must be made Payable to the order of COINHUNTER or C.E. Bullowa.

9. **PLEASE NOTE: Successful buyers will receive an invoice separate from the shipment of their lots.** Shipments are insured with a private insurance company as well as with the U.S. Post Office. This will account for any difference between our charges and the postage indicated on the shipment.
10. Purchasers are expected to make **prompt payment** upon receipt of their Lots.
11. Please be careful in your bidding. Check your Bid Sheet carefully before mailing. Keep a copy for your reference. **We cannot be responsible for your errors.**
12. The grades of coins encapsulated by third party grading services represent the opinion of that respective service. **We encourage you to examine lots** to form your own opinion as to the grade or suitability of potential purchases. Due to this, lots graded and encapsulated by third-party grading services are **not returnable** for any reason.

A FEW WORDS ABOUT GRADING

Grading is an Art and NOT a Science. It is subjective in nature but is governed by standards and parameters garnered by our many years in business. It includes eye appeal among other things.

Adjectival vs. Numerical

Uncirculated or Brilliant Uncirculated = Mint State 60 to 62

Choice Uncirculated = Mint State 63

Very Choice Uncirculated = Mint State 64

Gem Uncirculated = Mint State 65

Superb Gem Uncirculated = Mint State 66 to 67

The same adjectives apply to Proofs
